

FROGS News Friends and Relatives of Grboldisham School

February 2018

Valentine's Disco

Almost 80 children had a fantastic time dancing along to James D's fabulous tunes at the Valentines Disco. James proved to be a real hit with the children, playing dancing games like limbo dancing and even giving the children hula hoops for one dance!

The children had all made Valentine's cards in school which they will be taking home for a family member. The cards were judged by members of FROGS. A winner was picked from each year group and they received a book token.

Congratulations to the winners: Reception – Oliver C, Yr 1 - Paige, Yr 2 – Charlie V, Yr 3 - Ruby, Yr 4 - Kacey, Yr 5 – Harry Hopkins, Yr 6 – Hamish Teare.

Well done to all the children in the school who produced some very special Valentines cards.

EVENTS COMING UP AFTER HALF TERM:

FROGS have paid for the whole school to take part in a **lego workshop**. The workshop will be held on **Thursday 22nd March** by HG Education. The children will go down to the village hall in class groups where children in Reception to Year 2 will take part in a workshop on Lego Science and children in Yr 3 to Yr 6 will work on Lego Robotics. This will be a great opportunity for all the children, and a fun way of learning more about science and robotics through lego.

Mon 26th March – **Easter Hat parade** at 2.15pm on the playground, followed by an **Easter bake sale** from 2.30pm. (*Children will make their Easter hats in school*)

SUMMER TERM EVENTS FOR YOUR DIARY

FILM NIGHT Thurs 26th April Film TBC

SUMMER CREAM TEA Sat 23rd June

Where your money goes

Our fundraising provides some extras for the children. Here are just some of the things FROGS pay for each year:

-  The panto trip
-  Bibles which are presented to the reception children
-  A contribution towards the cost of the hoodies for the Year 6 leavers

We are also in the process of helping to clear and prepare an outside area for the reception children, as well as providing money to buy equipment for the area. FROGS will be paying for the whole school to take part in a lego workshop.

Please support as many of our events as you can. Thank you, FROGS.
