

Monday 6th April

Maths:

1. Five a day. Use the 5 a day primary app for April 6th

This exercise should take you 10 minutes.

- 2.

Eduardo says, 'The the population of Mexico City is 11 million (to the nearest million) and the population of New York is 11.2 million (to the nearest hundred thousand).'

He says, 'The population of New York must be bigger than the population of Mexico City because 11.2 million is bigger than 11 million.'

3. Do you agree with him?

Think about the number 34 567 800.

Say this number aloud.

Round this number to the nearest million.

What does the digit '8' represent?

What does the digit '7' represent?

Divide this number by 100 and say your answer aloud.

Divide this number by 1000 and say your answer aloud.

4. Literacy Spelling

Learn the following 20 words and let someone test you on them on Thursday.

- | | | | |
|----------------|------------|------------|-------------|
| - Transporting | feature | umbrellas | substantial |
| - Station | mattered | released | surprised |
| - Boiled | produces | variety | |
| - Stapled | disruptive | chief | |
| - Future | shipped | familiar | |
| - Enough | strength | physically | |

5.

This picture should inspire you to write part of a story. Answer the questions in your head and then write the end with an unexpected twist. Don't use more than 100 words.

- What kind of monster is this?
- Where did it come from? Has it been here before?
- What do you think the kitten is dreaming of?
- What is the monster going to do?
- What do you think will happen next?

Art

Draw your own doodle art based on the example underneath.

I am eager to see and read all your results.
