

AUTUMN TERM - OCTOBER 2020

FROGS NEWS

Providing the children of the school with experiecnes and equipment to enhance their learning.

A big welcome back to the Autumn term from FROGS. We hope everyone has settled back in well to school life. It has been a strange year for everyone and continues to be but it is really lovely to be back. FROGS represent Friends and Relatives of Garboldisham School. We are a small but dedicated group of volunteers and our fundraising provides some extras for the children. We do other things too, over the summer a few of the group got busy and did some gardnening and tidying up on the school grounds to make it nice for the children to return last month. Hopefully the picture of us all here will help identify who we are!

Given the short year we had with the school closure due to Covid 19, last years fundraising was still a great success, and the total we raised was £5,088.96. Due to this success FROGS paid for a lot of transport for trips and school outings, as well as the usual Year 6 leavers' items and of course the panto trip. Also subsidised were events such as the Valentine's Disco.

FROGS have great plans for this year even if we are restricted still with Covid 19, we are currently planning lots of innovative ways to fundraise in a fun way and to support the school in these challenging times. Film nights continue to be very popular with the children and we will hopefully be able to continue to run these throughout the school year in some format. Another project that we are looking into help support is the refurbishment of the playground, so we shall keep you posted on those developments.

Please keep up to date with forthcoming events and news on either the FROGS noticeboard, which is on the front wall of the school, via emails from school or on our Facebook page 'Garboldisham Frogs'.

The second hand uniform shop has been a huge success since we opened it at the beginning of 2020. So far through generous dontations it has raised £110. We are pleased to be able to offer this service and if you do have any uniform you would like to donate please get in touch with Sam Bartlett-Rawlings on 07787533834 who runs it and likewise if you would like to buy anything. There are no prices, just donations.

NEW IDEAS... We always welcome new ideas, if you have any great fundraising ideas, or something that you think we could fundraise for or you would just like to get involved and help we would love to hear from you.
