

WINTER TERM - JANUARY 2021

FROGS NEWS

Providing the children of the school with experiences and equipment to enhance their learning.

We hope everyone is keeping safe and well at this current time. It has been a strange start to the New Year and continues to be, but let's hope our school community is back on the playground together again soon.

In the meantime FROGS wanted to keep you updated with a few things from the end of last term. We had a brilliant couple of months with 'giving' being the focus and the hugely successful food donations which was amazing and helped so many families in need over the festive period.

The Christmas Jumper Swap shop was a success and we plan to do it again this year so if you do have any unwanted jumpers then please give them to Sam when you are able to. We raised £20 for FROGS from the sales of jumpers and the left over clothing went to Pine Trees Community Centre.

FROGS also held a free Christmas raffle for the whole school on the last day of term to spread a little festive cheer before Christmas. We are told the children and staff really enjoyed this with a winner in each year group, a staff prize and there was also a main hamper won by one lucky child. We really hope the children that did win enjoyed their prizes.

The tea towels, bags and coasters were a great success again this year and looked fantastic. The children did amazingly well with their portraits. This was our main fundraiser of the school year so far and we made an amazing £530, so thank you to everyone who made a purchase.

Please keep up to date with future events and news via emails from school or on our Facebook page 'Garboldisham Frogs'.
