

THE CHEETAH.

In its mighty jaws it makes loud sounds like a lion.

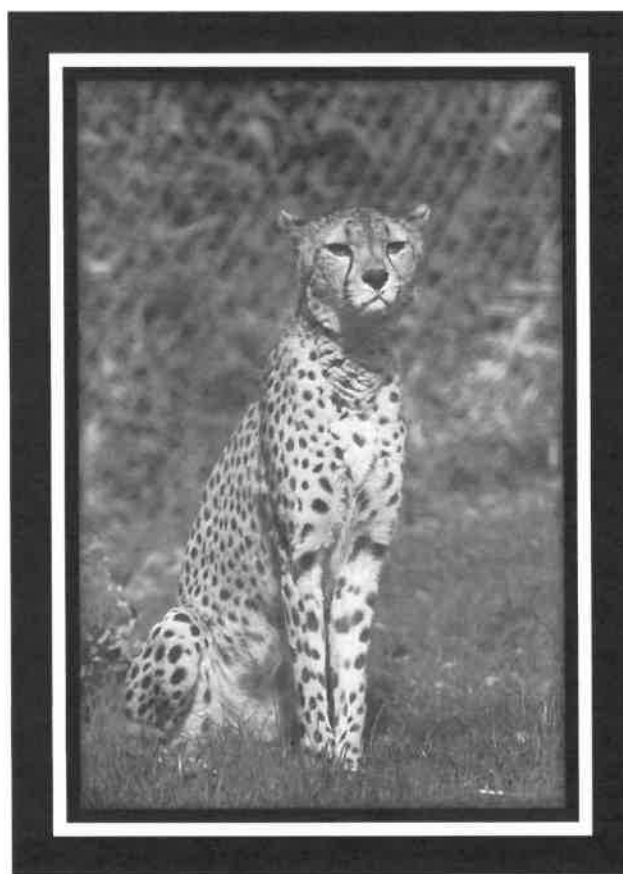

It scuffles and snores like he roars.

He's a lot faster than a really, really fast human.

And has a deadly roar.

He even gobbles like a big non sharing pig.

He's really not nice to animals.

The Unicorn

Sparkly fur and flashy wings,
She has magic and knows a lot of things ,
And she jumps and she lays on the fluffy pretty grass,
Through mountains she flies,
Until she says goodbye to sunrise,
She sings and sobs when no light here,
But when moon comes there is a little cheer.

The pug was leaping like a frog high in the air
bees buzzing everywhere.

He twitches his ears with
bees buzzing around his
head.

He flips and he dips and
chases his tail.

Leaping peeping all around
the garden.

RUNS! Leaps quietly and whispery

LIKE A WILLOW TREE IN THE BREEZE.

He Face planted into the snow never getting
out. leaping leaping all around the snowy
ground. Leap leap leap like a kangaroo.
